

## How to Customize Your Fundraising Page

First, log in/sign up using the email address you used to register in the top right corner.

Go to your fundraising dashboard.

On the far-right side, select Edit My Page

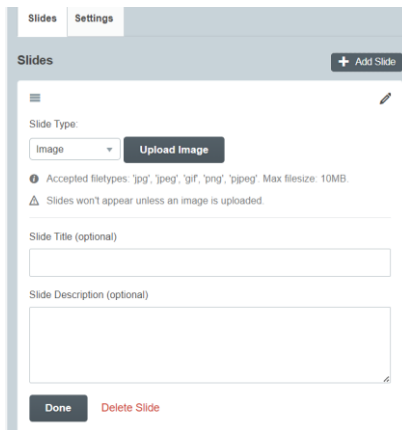

To edit content on your page, Select the Settings/wheel icon. 

When making updates to your page, you'll want to make sure save in two different areas:

1. Select Update on the content box you updated.
2. Select Save page (at the very bottom of page)

To make it easy, we added some pre-set content to your page already! You can edit/tweak any other content on your page as you see fit.

Donors love to see photos of our mission at work! To add photos to your page, follow the steps below:

- Select "Add Slide"
- Select "Upload Image"
- You can add a brief description, if desired
- Add more photos/slides by repeating the steps above

**FINAL STEP:** Hit Save Page at the bottom of the site to ensure all changes are saved.
